

Energy Advisory Committee Meeting Minutes

RECEIVED

2021 JUL 16 AM 8:17

TOWN OF WESTMINSTER

Date of meeting: June 24, 2021

Attendees: Heather Billings, Kerry Koskinen, Isaiah Grigos, Doug Hurley, Kevin Keena

Agenda items:

- Minutes Approval: Minutes from meeting held on May 20, 2021 were approved.

-Discuss close out of DOER contract for Green Communities Act Projects:

The GCA projects are closed out, completed, finished!

Kevin did the final inspection of projects with Kelly Brown. Discussed the walk through.

-Review electricity costs for next town contract:

- Current prices are very high and are expected to be so for several months. We do not expect to sign a new contract for electricity until late in the year.

-Other business

Discussed police vehicle idling and how new hybrid cruisers are available. The Idle-right device is not a factory item for cruisers and as such is too risky for public safety. Hybrid Police Cruisers will stop unnecessary idling by default.

-Funding for BOC- Building Operator Certification Training is available from DOER and utility funding. It is an 8 day course, one per week. <https://www.theboc.info/building-operator-training/course-descriptions/> The course could be offered to the Westminster building manager.

-Agenda for next Meeting:

-Schedule next meeting for Thursday, July 15, 2021 at 6:30pm, Town Hall room 112.

Respectfully submitted by Kerry Koskinen, Secretary.
